DETAILED ACTION

Allowable Subject Matter

Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance:

Prior art does not teach a method for forming an interconnect structure comprising:

via etching the second dielectric layer and the first dielectric layer to form a via opening extending through the second dielectric layer and the first dielectric layer ;

filling the via opening with a plug material, and

trench etching the second dielectric layer and the plug material to form a trench over a lower portion of the via opening and to remove the plug material from the via opening, thereby forming a dual damascene opening.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
